
MBX BOOSTER PARENT MEETING TALKING POINTS

ALL BOOSTER CLUBS MUST HAVE AT LEAST 1 PARENT MEETING PRIOR TO YOUR NEW YEAR.

GENERAL TALKING POINTS

- Discuss all things that are included in your ask/donation.
(ie/uniforms, transportation, coaches stipends, equipment, travel, etc.)
 - Review your budget and provide copies to any parent who requests.
 - Read the MBX document/description included in this binder.
 - Review fundraising for the year.
 - Inform parents that Venmo MAY NOT BE USED for any booster event or merchandise sales.
(ie/hometown fair, spirit items, senior night meals, banquet tickets, etc.)
-

FUNDRAISING TALKING POINTS

- All booster fundraisers must be approved by MBX. There is a set protocol for all booster-related fundraising efforts. This includes parent parties and events, merchandise and spirit item sales, giving campaigns, etc.
 - If a booster parent has a fundraising idea, make sure they contact the designated person on your board. It is that individual's responsibility to reach out to MBX for approval before proceeding.
 - Parental funding support is limited, so MBX has implemented guidelines to ensure that we don't overburden our Costa parents with excessive fundraising efforts.
 - Discuss all fundraisers that your club has planned for the 2025-2026 school year. This includes your MBX approved *Exclusive Fundraisers*.
