

MBX

SUMMER SCHOOL 2025

MBX Foundation offers comprehensive asynchronous, self-paced, online courses. Our course catalog is robust, featuring A-G aligned, interactive courses with media-rich content designed to be personalized and engaging. Students may start at anytime after the first day of summer school and have the flexibility to work ahead and finish coursework early. MBX Summer School is WASC and NCAA certified.

The MBX Foundation is a non-profit supporting the Manhattan Beach Unified School District through multiple projects, field maintenance and grants each year. The revenue from MBX Summer School goes directly to our district reaching all elementary schools, the preschool, MBMS and MCHS. Thank you for your support.
